

Uptown Kitchens

Premium Stainless Outdoor Kitchens

Designed and Manufactured in Canada

7.5' Premium Stainless Outdoor Kitchen by Uptown Kitchens

Features

- **Modular, Configurable Cabinets**

Arrange the cabinets in the configuration you wish and join them together with the provided hardware

- **304 Stainless Steel Construction**

Ensures a lifetime of enjoyment in outdoor environments with all stainless steel construction

- **Adjustable Shelf**

Multiple shelf heights allow the cabinet to be adjusted to suit your needs

- **Adjustable Leveling Legs**

With up to 1.5" of vertical adjustment the leveling legs accommodate varying slopes on decks or patios

- **Stainless Countertops**

Stainless steel is easy to clean and prevents the growth of bacteria

- **Vented Cabinets**

Each cabinet contains ventilation slots on the bottom and back panels to provide air flow for propane and natural gas appliances
